

(VII) conservation organizations; and
 (VIII) the State fish and wildlife agency; and

(iii) any other individuals determined appropriate by the Secretary.

(C) Terms

The members of the State Coordinating Committee appointed under subparagraph (B)(ii) shall serve 3-year terms, with the initial members serving staggered terms as determined by the State forester or equivalent State official, and may be reappointed for consecutive terms.

(D) Existing committees

Existing State forestry committees may be used to complement, formulate, or replace the State Coordinating Committees to avoid duplication of efforts if such existing committees are made up of membership that is similar to that described in subparagraph (B)(ii), and if such existing committees include landowners and the general public in their memberships.

(2) Duties

A State Coordinating Committee shall—

(A) consult with other Department of Agriculture and State committees that address State and private forestry issues;

(B) make recommendations to the Secretary concerning the assignment of priorities and the coordination of responsibilities for the implementation of this chapter by the various Federal and State forest management agencies that take into consideration the mandates of each such agency;

(C) make recommendations to the State forester or equivalent State official concerning the development of a Forest Stewardship Plan under paragraph (3); and

(D) make recommendations to the Secretary concerning those forest lands that should be given priority for inclusion in the Forest Legacy Program established pursuant to section 2103c of this title.

(3) Forest Stewardship Plan

The State forester or equivalent State official of each State, in consultation with the State Coordinating Committee of such State, shall develop a Forest Stewardship Plan that shall—

(A) provide baseline data on the forest resources of the State;

(B) outline threats to the forest resources of the State;

(C) describe economic and environmental opportunities that are linked with the forest resources of the State;

(D) address management problems, opportunities, and objectives associated with intermingled Federal, State, and private land ownership patterns within the State; and

(E) make planning recommendations for Federal, State, and local implementation of this chapter.

(4) Other plans

Other State forest management plans may be used as the basis for or in lieu of establish-

ing a plan for the State under paragraph (3) if such plans fully conform to the objectives of this section.

(5) Termination

The State Coordinating Committees shall not terminate.

(6) Rule of construction

Nothing in this section shall be construed to compel action by any State official.

§ 2114. Administration

(a) In general

The Secretary shall administer this chapter in accordance with regulations that the Secretary shall develop.

(b) Guidelines

The regulations promulgated under this chapter shall include guidelines for the administration of this chapter at the Federal and State levels and shall identify the measures and activities that are eligible for cost sharing under this chapter.

(c) Existing mechanisms

Existing mechanisms shall be used to the extent possible to make payments and deliver services to the landowner under this chapter.

(d) Land grant universities

The Secretary, in consultation with State foresters or equivalent State officials, may provide assistance directly to other State and local natural resource management agencies and land grant universities in implementing this chapter in cases in which the State foresters or equivalent State officials are not able to make fund transfers to other State and local agencies.
